

Overthorpe CE(C) School Our Vision

To promote Children's spiritual and moral understanding through Christian Faith

To develop social and emotional aspects of learning

For children to enjoy and be inspired by school.

For all parties to work together to succeed.

For children to become good citizens with respect and understanding for others.

To build strong foundations between the school and all its family members and to promote the school in the community.

For Adults to provide an inclusive environment for all children to learn through excellent and enjoyable experiences.

For children to develop their God-given talent and creativity.

We strive to be a happy, caring and safe school in which every child experiences a rich and varied curriculum, in order to achieve their full potential.
